

It's YOUR money - have YOUR say on how we spend it

It's about YOUR money. What should the Council spend its money on?

YOUR money - so we want to hear YOUR views before taking any decisions this year.

Councillors and senior officers are attending a forum where they will provide information on our services and what they cost. Explain the tough choices we need to make. But above all, listen to YOUR views. So come along.

**Wednesday 2 December 2009
from 7pm to 9pm
at The Greig Centre, Alcester B49 6AD**
